I. General Rules

K. Judges

1. The Chief Judge for the National SAFECON will be approved by the NIFA Council, and other judges will be approved by the Executive Committee. Regional SAFECON judges will be approved by the Regional Organization or the NIFA Judges Committee.
2. Judges will be aided by Starters, Timers, Measurers and other necessary helpers during the SAFECON.
3. The judges will meet in closed session following each event. They will examine the safety observers' comments and determine the first ten places for each event. Their decision will be final. Winners will be announced at the Awards Banquet. Measurements and times of individual contestants may be released by the judge.
4. No advisor from any competing school or any other person connected with a competing team shall be with the judges during judging, unless invited by the Chief Judge.
5. The Chief Judge shall submit each contestant's score and, if possible, place standing in each event to the team advisor within 24 hours after the conclusion of the last event.
