

# Registration & Event Entry Limitations

[As of 07/01/08]

Current year rule changes are in **red bold print!**

## I. General Rules

### D. Registration and Event Entry Limitations

1. Contestants must register with the host school upon arrival.
2. A contestant may compete in each event only once.
3. All team entries that are to be made by mail must be submitted prior to the deadline set by the Executive Committee or host school. All Entries must be made on the forms provided by the host school. Copies of those forms will be acceptable.
4. Landing events may be entered by a maximum of five (5) contestants from each team. The minimum number of aircraft used by each team will be set by the executive committee in the case of a national SAFECON and the chief judge in the case of a regional SAFECON.
5. The Message Drop Event may be entered by a maximum of five (5) dropmasters from each team. An individual may act as pilot and/or dropmaster in no more than two (2) heats.
6. The Navigation Event may be entered by a maximum of three (3) contestants from each school. One aircraft can be used in no more than two (2) heats in the Navigation Event.
7. Ground events may be entered by a maximum of five (5) contestants from each team.
8. The IFR Simulated Flight Event may be entered by a maximum of two (2) contestants from each team.
9. The schedule of events and the actual number of contestants allowed to compete in any event shall be determined by the Executive Committee in the case of a national SAFECON or the host school in the case of a regional SAFECON.
